RAMY BOUTROS
 INTERIOR DESIGN

BEIRUT

The Founder: Elegant, art-loving and wildly creative, Ramy Boutros is an architect of dreams, embracing a luxurious aesthetic in every project. A recently completed Philadelphia residence was inspired by the glamour of the 1940s, while an apartment at the Herzog & de Meuron-designed Beirut Terraces is innovative, yet sober.

Making A Mark: Visit the Em Sherif restaurants in Beirut or Doha to get a sense of the opulence that characterises Boutros' aesthetic. The designer is currently working on a landmark hotel in Lebanon with Jean Nouvel, as well as a yacht interior in collaboration with Benetti.
